Dear Sri Gurbax,

1. The Chief of Army Staff recently visited HQ ARTRAC on 02-03 Mar 2010, during which the CPWD extended an excellent support in terms of maintenance and repairs of the places being visited by the COAS.
2. The quality of work and the speed at which it was executed speaks volumes of the work culture and ethos of the CPWD. The GOC-in-C Army Training Command has conveyed his appreciation to the CPWD Staff at Shimla for the services provided by them during the recent visit. The work at Wingate Hall has been specifically appreciated by the Army Cdr. The same may kindly be conveyed to the CPWD Engineers, Supervisory Staff and the Contractors concerned.
3. Thanking you and looking forward to a continued relationship in the future.
