From the Desk of Director General, CPWD

Dear Colleagues

The month of January has been significant as we all celebrated the Republic Day with great fervor, enthusiasm and patriotism on January 26, 2023. On the occasion, let us remember the golden heritage of our country and share the pride of being part of the process of nation building.

It is also a matter of pride for us that the preparations for 74th Republic Day Celebration at Kartavya Path and Beating Retreat Ceremony at Vijay Chowk, New Delhi were successfully organized. In spite of challenging weather on the 29th of January, CPWD ensured smooth and successful conclusion of the Beating Retreat ceremony. The colourful floral tableau of CPWD based on the theme 'Biodiversity Conservation' showcased during the Republic Day Parade at Kartavya Path, New Delhi occasion won the special prize for the 17th consecutive time. The tableau crafted with variety of colourful and fragrant natural flowers highlighting the relevance of creating awareness for the protection and growth of Nation's biodiversity was appreciated by all. I congratulate the entire team of CPWD officers involved in the preparation and ground works of the entire Republic Day Celebration for their hard work, sincerity and commendable performance.

Some of the other major achievements of the department during the past month include: Inauguration of Lecture Hall Complex at NIT Trichy; Hostel Block for IISER at Tirupati; Holiday Home at Prayagraj and Varanasi; Office cum Residential Complex for SIB at Perambalur; New Helicopter Factory for Hindustan Aeronautics Limited (HAL) at Tumakuru, Karnataka. Foundation stones were laid for the construction of Office cum Residential Complex for Defence Estate Organization at Pathankot; Hostel Building & Residential Quarters for Central University of Gujarat at Vadodara, Gujarat and performed Bhoomi Pujan for construction of Annexe Building of MMME and Production Engineering Department at NIT Trichy. I congratulate all the CPWD officers associated with these projects and events.

While we are going strong with various construction projects, we must not lose sight of the fact that most of the Public Grievance cases received by our department are maintenance works related. To improve the satisfaction level and to reduce maintenance related public grievances, there is a need to improve the working of our service centers. I would request each one of you to work towards implementing necessary corrective measures to improve their functioning which will subsequently help in reducing the number of PG cases & also go a long way in improving perceptions and image of CPWD.

The interest of our department should be foremost for all of us. In order to sustain our selves as a successful Organization, we will have to strive for professional excellence, high ethical standards, quality work & prompt delivery with an attitude of service. Let us resolve to work in a cohesive and responsive way to the best of our ability which would aid in continued growth and assured role of the department in the development of the nation.

(Shailendra Sharma)

IMPORTANT EVENTS

National Informatics Centre, Centre of Excellence on Microservices, Kochi would like to appreciate the hardwork, and diligent efforts taken by the CPWD Officials for the maintenance of the Kendriya Bhawan premises especially with the re-establishment of NIC-CEM Kochi. The team consisting of Shri.Nirmal Goel Superintending Engineer, Shri.Phani Teja Executive Engineer (Civil), Shri.A G Girishkumar Assistant Engineer (Civil), Shri. Peer Mohammad Saheer Junior Engineer (Civil) have given dedicated support and co-operation for the renovation of the restroom facilities on a war-foot basis along with the renovation works of NIC-CEM Kochi.

The directions from Superintending Engineer and Executive Engineer were promptly carried out by the Assistant Engineer and his team. The maintenance of the Canteen at Kendriya Bhawan Kochi is also remarkable under the guidance of this team.

We, NIC-CEM thank entire CPWD team at Kochi for the valuable services. We wish you all success for facilitating the Government Offices into aesthetic, lively and modern work spaces. Wish you all the best for future ventures.

Yours faithfully,
