Dear colleagues

A happy new year to you all. I hope you celebrated the start of 2023 safely and in good spirits with family and friends. We look forward to the year 2023 with hope and excitement as another year of achievements. We can look forward to work further on the many initiatives to deliver the projects and services with quality and customer satisfaction.

In line with Hon'ble Prime Minister's dream of a digital India, CPWD, under the guidance of MoHUA, is implementing e-NIRMIT (Nationwide Intelligent Resource Management with Information Technology- CPWD ERP) to migrate its operations to a cloud-based ERP. Both MoHUA as well as the Department see e-NIRMIT as an opportunity for organizational change in CPWD and as a tool for its cultural transformation. We have to ensure that the adoption of new technology not only changes the way we conduct our routine business but also helps us use our immense organizational learning for the benefit of the society and the nation at large.

So far the following modules of e-Nirmit have been rolled out: e-Tendering & e-Auction, Project Collaboration Portal (common for Engineers, Architects, Consultants and Contractors), Learning Management System, Preliminary Estimate / Detailed Estimate, Leave Management, Cost Index, Transfer / Posting, Joining / Relieving, e-Kiosk for work charged employees, e-Nirmit Sanchar for communication among CPWD offices, Contract Agreement Data & BoQ Forms, Residential Quarters Inventory Forms and Real Time CPWD ERP MIS Reports. I urge everyone in the department to utilize these modules in their day-to-day office work and participate in all ongoing and upcoming ERP related activities.

Other achievements in the recent past include: inauguration of Single Living Accommodation for Hovercraft Crew Members for Indian Coast Guard at Rushikonda, Visakhapatnam; Khadi and Village Industries Commission Building at Agartala; Executive Training Centre for UCO Bank at Kolkata; 200 bedded girls hostel for Regional Institute of Education at Bhubaneswar; Dr. Syama Prasad Mookerjee National Institute of Water & Sanitation at Joka, Kolkata; Multi-purpose Hall at Old AG Colony, Bhubaneswar; Jawan barracks for BSF at Umpling, Shillong; Central Revenue Quarters at Anna Nagar, Chennai; NTPC Burn Centre. Also foundation stone was laid for construction of Critical Care Hospital Building for AIIMS at Bhubaneswar; GPRA at Bilaspur; 100 Bedded Girls Hostel for National Skill Training Institute for women at Panipat; Integrated High Performance Centre for Sports Authority of India at Sonipat; Haryana and Bhoomi Pujan for the construction of School of Architecture Building for IIT BHU at Varanasi; New Office Complex at Custom House, Chennai. MoUs signed with Hindustan Aeronautics Limited at Bengaluru and AIIMS at Bhubaneswar. We appreciate the efforts of all the officers and staff associated with the projects and events.

As winter cold reduces and spring approaches, let us all move forward with joy and enthusiasm in our hearts. Once again, I wish you all and your family members a very happy, healthy and prosperous New Year.

Thank you

(Shailendra Sharma)
