Director General's message

On the occasion of Diwali

My Dear Colleagues,

On this joyous occasion of Diwali, I convey my warm greetings and best wishes to each and every member of CPWD family.

Diwali, the festival of lights is an important occasion for festivities, joy and togetherness. Let this festival of lights inspire us to achieve our targets and reach out to greater horizons to expand our business.

During this pious occasion, I take the opportunity to urge all officers and staff to devote themselves to serve the Nation with commitment and pride. We should work like a true karmyogi and our performance should speak louder than our words.

I am confident that our officers and staff are demonstrating exemplary performance and are charged with the determination and will to keep the flag of the Department flying high. I am sure that with the concerted efforts of each and every one of us, we will continue to excel in our performance benchmarks.

I once again convey my heartiest greetings and wish that may the festival of lights usher in peace, prosperity and happiness to the all members of CPWD family and enthuse us with new sprit and energy to pursue our set goals.

I look forward your support in transforming CPWD as an organization of engineering excellence.

Divakar Garg
