New Year Message

Dear Colleagues,

On the occasion of New Year, I extend my warm wishes to you and your family for a very happy, prosperous and successful New Year.

As we usher in the New Year, I would like everyone of us to feel proud of the work CPWD is doing in the cause of national building. Your dedication has brought us many laurels on the work front during the past year due to which we have been able to achieve the highest ever workload of Rs.18,814 crore during the financial year 2021-22.

We successfully completed many major projects in the past year. Some of them are: new Hostel Building for Trainee Officers for LBSNAA at Mussoorie, 28 Type III quarters & Arogya Vanam at President's Estate New Delhi inaugurated by the Hon'ble President of India; Kartavya Path, Pradhanmantri Sangrahalaya at New Delhi, IIIT Una at Himachal Pradesh, Centre of Excellence Building for All India Institute of Speech and Hearing (AIISH) at Mysuru inaugurated by the Hon'ble Prime Minister of India, Shri Amarnath Yatri Niwas at Ramban, Jammu & Kashmir, Sports Complex for IIT Delhi, National Investigation Agency (NIA) office building at Naya Raipur etc. Though there is a sense of pride in what we have achieved, nevertheless our endeavour should be to innovate, improve service delivery and to reduce turnaround time to match increasing expectations of our client departments.

Like previous years, this past year too, we have been able to add many new clients in our list and signed many new MoUs for execution of works. I convey my warm wishes on New Year to all our clients, stakeholders and their families too.

Friends, with every New Year come new hopes, new expectations & new resolutions. This New year let us resolve to do our best to fulfil the expectations that this great Nation has from us. Let us consciously rededicate ourselves to build a world class infrastructure for the Nation to meet its growing expectations. In the New Year let us resolve to contribute our best in carrying forward the organization's rich legacy and tradition that has been built painstakingly over the years and nurtured with lot of passion, hard work and care.

Once again, I wish you all and your family members a very happy, healthy and prosperous New Year.
