Dear Colleagues,

On the joyous occasion of festival of colors, I convey my warm greetings and best wishes to each and every member of CPWD family.

Holi, the festival of colors is an important occasion for festivities, joy and togetherness. Let this festival of colors enthuse us with new sprit and energy to pursue our set goals for the department to the best of our ability and capacity.

I use the opportunity of this pious occasion in reminding you all of the earnest yearning of Hon'ble UDM for revamping the image of CPWD and bringing about a total transformation in our functioning so as to deliver quality construction in time, improve efficiency and client satisfaction. His ardent wish should be a beacon and source of inspiration for all of us to strive hard to do our best in achieving his reform agenda for the department.

The challenges that lie before us are so enormous that it requires the united efforts of all ranks and at all places in the department. There is no magic wand to achieve the same. We need to work unitedly and in a harmonious manner doing our best. Let each of us think what I can do for the department rather than looking at what is there in it for me.

I am committed to redress to career related issues of the officers and staff and will spare no efforts to ensure that the legitimate aspirations of the officers and staff are fulfilled.

I once again convey my heartiest greetings and wish that may the festival of colors be a harbinger of peace, prosperity and happiness to the all members of CPWD family. I look forward to your unstinting involvement in transforming CPWD as an organization of engineering excellence.
