NEW YEAR MESSAGE

Dear Colleagues,

Welcoming the New Year, I convey my best wishes to you and your family for a very happy, prosperous and successful New Year 2016.

Friends, a new year is with us again. How time flies. Whoever said that time waits for none is obviously more than correct. As we usher in to the New Year, I take the opportunity to express my deep appreciation to each one of you for all that you have achieved in your work area during the past year. Every sincere efforts, howsoever small, on your part has contributed to strengthening the organization and steering it ahead.

Due to startling efforts by our dedicated officers and staff, we have achieved many laurels in the work front. We have successfully completed many major projects in the past year within the country and even outside. Most significantly, some of them are: Afghan Parliament Building at Kabul, Trauma Center, BHU Varanasi & buildings at IIT Patna inaugurated by the Hon'ble Prime Minister of India, Residential Flats for Hon'ble Members of Parliament inaugurated by Hon'ble Speaker, Lok Sabha, GPRA Dev Nagar & GPOA Patna inaugurated by Hon'ble UDM and Supreme Court Extension Building inaugurated by Hon'ble Chief Justice of India.

Refurbishing of Indira Gandhi Stadium, New Delhi, venue for 3rd India Africa Forum Summit-2015, within a very short time frame and meeting stringent requirement of international standards, where 41 Heads of the State/Government of different countries of Africa participated in the Summit, has been another significant achievement. We have been able to add many new clients in our list and signed many new MoUs for execution of the works. We continue to be the preferred destination for many Departments to cater to their construction requirements. Though there is a sense of pride in what we have achieved, nevertheless we should not take rest at this point and keep our momentum up.

Ever since I took over the reins of CPWD, it has been my constant endeavor to tirelessly work towards the betterment of employees. I am frequently meeting with the representatives of associations of all cadres to resolve their legitimate grievances. It is my conviction that employees are our best asset and a satisfied and motivated work force alone can be productive, efficient and useful for the organization.

Friends, with every New Year come new hopes, new expectations & new resolutions. Today on Jan 1st 2016, let us resolve that we would trust ourselves and do our best to fulfill the expectations that this great Nation has from us.

Once again, I wish you all and your family members a very happy, healthy and prosperous New Year.
