Dear Colleagues,

Well nurtured by eminent predecessors, our organization, with a glorious history of 166 years entwined with the history of developing India, now has a formidable force of over 25000 professionals engaged in building the nation brick by brick.

It is my honour to lead this organization and I accept the assignment with strong commitment and responsibility to nourish it further while we continue to serve the motherland. I express my gratitude to each member of CPWD fraternity for their good wishes and extending solidarity with me.

We need to work together in the fields of human resource management, contract management and digitalization to improve our efficiency and output. Timely promotions, transparency in transfers, grant of MACP, NFU, creating conducive work environment will all lead to enhanced output and bring job satisfaction among the personnel, who are our backbone.

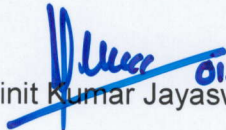

We need to delve deeply into contract management aspects with the objective to achieve client satisfaction, and eliminate time and cost overruns. This requires more attention to finalization of design brief and detailed project report in consultation with the clients with due emphasis on planning and designing. We have made considerable progress towards implementation of enterprise resource planning (ERP), and fixed a target of October, 2020 for complete digitalization including e-office.

To achieve long-term sustainable growth, we must not only embrace to change but also earn the trust of all stakeholders. We need to generate unwavering confidence of clients by our professional competence, actions and intentions so that they remain assured that their works are being handled safely by competent and dynamic professionals.

With the rock solid support and able guidance of our Ministry, we will proactively aim for all-round growth of the Department on Mission Mode. We will work together to continue to march ahead on the golden path so well carved by our expert professionals. I seek your suggestions and action-plan drafts at e-mail: dirtech-pr.cpwd@nic.in.

The famous Vedic aphorisms: "चरैवेति-चरैवेति" and "उत्तिष्ठत जाग्रत प्राप्य वरान्निबोधत", exhort us to move on and keep going till the goal is reached. I also wish to reiterate the moto ingrained in our logo: "कोऽतिभारः समर्थानाम्" (nothing is impossible for those who are competent), a fountain source of constant inspiration to all of us to do our best for the service of our motherland.

With best wishes and warm regards.
