

**DIRECTORATE GENERAL OF WORKS
CENTRAL PUBLIC WORKS DEPARTMENT**

NO. 1/1/2006-S&D/

DATED: NIRMAN BHAWAN FEBRUARY, ___ 2007

OFFICE MEMORANDUM

**SUB: *PREPARATION OF STATEMENT CONTAINING BRIEF ACTIVITIES OF
MINISTRY OF URBAN FOR THE YEAR 2006-07.***

REF: MINISTRY OF UD&PA OM NO. D-29013/1/2003-COORD., DATED ___/___/2006

IN PURSUANCE OF THE ABOVE MENTIONED OM MATERIAL FOR
PREPARATION OF THE DOCUMENT IS SENT HEREWITH.

**V.K. SHARMA
DIRECTOR (S&D)**

TO

DY. SECRETARY (COORD.)
MIN. OF UD
NIRMAN BHAWAN

COPY FOR INFORMATION TO DS(WORKS), MINISTRY OF UD

DIRECTOR(S&D)

CENTRAL PUBLIC WORKS DEPARTMENT

The Central Public Works Department (CPWD), is the principal agency of the Government of India for creation and maintenance of all Central Government assets excluding those belonging to Railways, Defence, Communication, Atomic Energy, Airports (National and International) and All India Radio. CPWD was created in July 1854 when the then Governor General, Lord Dalhousie, decided to set up a central agency for execution of 'Public Works'. The Ajmer Provincial Division was the first to be created and it executed many works including famine relief. However, CPWD was formally created in its present form in 1930.

The Central Public Works Department handles a wide range of projects like Housing and Office complexes, Hospitals, Workshops and Factories, Hostels and Hotels, Food Grain storage structures, Roads, National Highways, Bridges and Flyovers, Airports, Computer Centres, Environmental and other utility services. It also executes Border Fencing, Flood lighting and Road projects in difficult terrain and under hostile conditions along the Indo Pak and Indo-Bangladesh border. It is an organisation which can render the most comprehensive services in the field of planning, designing, construction and maintenance management, for all Civil Engineering projects with Total Quality Assurance.

Over the years the department has created structures with engineering excellence, which are still being used. It has to its credit construction of a number of prestigious buildings like Rashtrapati Bhawan, North Block, South Block, Parliament House, Vigyan Bhawan and many Multi storeyed office and residential Structures all over the country. It has also developed infrastructure for sports, education, agriculture etc. It is actively involved in providing facilities for the Central Para Military Forces. Department has also executed many overseas works such as construction of Embassies and Hospital Buildings in various countries and Roads & Bridges in Nepal. Presently it is executing works in Afghanistan for the Ministry of External Affairs.

Involvement of CPWD with a project starts from the stage of selection of site, carrying out geo-technical investigations, collection of field data, assisting the client in analyzing their requirements, preparation of architectural, structural, electrical, air conditioning and landscape designs and drawings, undertaking construction management including quality assurance and continuing its responsibility through post completion maintenance management etc.

The Department is moving forward in the field of construction by developing innovative techniques and adopting state-of-the Art technologies. A Technology Application and Development Cell (TAD Cell) has been established to identify and select environment friendly construction materials and technologies in close liaison and co-ordination with Research Organisations.

CPWD is playing a major role towards sustainable development of human settlement. It has also developed expertise in Rehabilitation of Structures and is imparting its expertise to rehabilitate structures in distress. A manual for Repair and Rehabilitation of Buildings has been recently brought out by the department.

CPWD has well documented Specifications & Standards and Schedules of Rates, which are updated from time to time, to keep pace with latest Technologies and market trends with a definite Quality Assurance Plan. These publications are followed by various construction organisations both in public as well as private sectors. Besides this, the department brings out a number of manuals for assisting in execution of projects. Guidelines for designing buildings for elderly and disabled people, Manual of rain water harvesting etc. published by CPWD have been found very useful by everybody.

The department also assists the Income Tax Department in implementation of Direct Tax Law so far as they relate to immovable properties. The Civil Construction Unit of the Ministry of Environment is manned by CPWD engineers. Similarly the Andaman and Nicobar Islands have also encadared a post of Chief Engineer with CPWD to help manage their PWD.

Establishment has Director General Works as its head. Jurisdiction of the department is divided into seven regular Regions. The Director General Works is assisted by Additional Director General (Works) for effective control of works and in administration matters. Its field units are located all over India to take up construction and maintenance works even in the remotest parts of the country. Through its countrywide network of planning and construction units, it is in a position to undertake the works of Public sector Undertakings and Autonomous bodies as Deposit works also.

The department has a decentralized system of working, which provides for better & easily accessible service as the units are placed close to work centers. Autonomy, in most areas, has been given to the Regional Units headed by ADGs. The jurisdiction of various regions is as below:

ADG (Strategy & Planning) (Headquarter – Delhi)

ADG(S&P) is in-charge of establishment and administrative functions of the department. There are two Chief Engineers (CEs) and two Directors looking after administrative functions relating to Vigilance, systems and personnel matters assisting the ADG. In addition ADG(S&P) is also incharge of the New Delhi Region. There are three zones under this region. Chief Architect (NDR) provides the architectural support to these zones.

ADG (Technology Development) (Headquarter – Delhi)

The ADG(TD) heads the Delhi Region also. There are two Civil zones and one electrical zone in the Region. In addition there are three CE's for looking after the Head Quarter functions relating to Design, Contract, Standards, Quality Control functions and Consultancy Services.

ADG (Northern Region) (Headquarter – Delhi)

ADG(NR) is responsible for the works under Northern Region. There are four CE's(Civil), one CE(E) and one Chief Architect in this Unit. Zones are located at New Delhi, Chandigarh, Lucknow and Jaipur for looking after the works in the States of UP, Punjab, Haryana, Himachal Pradesh, Rajasthan, U.T. of Chandigarh, Uttaranchal, J&K and in National Capital Region.

ADG (WR) (Headquarter – Mumbai)

ADG(WR) is responsible for works under Western Region. Jurisdiction of the region covers the states of Maharashtra, Madhya Pradesh, Chattisgarh, Goa, Gujarat, and Union Territory

of Dadra and Nagar Haveli. There are three CEs (Civil), one CE(E) and one Chief Architect under this unit.

ADG (ER) (Headquarter - Kolkatta)

ADG(ER) is responsible for works under Eastern Region. Jurisdiction of the Region covers the states of West Bengal, Bihar, Jharkhand, Sikkim, Orissa and all the North Eastern States. There are three CEs(Civil), one CE(Electrical) and one Chief Architect in this Unit .

ADG (SR) (Headquarter – Chennai)

ADG(SR) is in-charge of works in Southern Region in the States of Tamil Nadu, Andhra Pradesh, Karnataka, Kerala and Union Territory of Pondichery, Andaman Nicobar and Lakshdeep Islands. There are three CEs(Civil) and one CE(Electrical) in this unit.

Engineer-in-Chief (PWD) (Headquarter – Delhi)

The public works of National Capital Territory of Delhi are handled by CPWD through four Zones in Delhi PWD under the Engineer-in-Chief, PWD. The E-in-C (PWD) reports to Govt. of NCT Delhi for day-to-day functions.

ADG (Border) (Headquarter- Delhi)

There is one post of Additional Director General for coordinating the activities of various organisations involved i.e. CPWD, Assam PWD and Border Roads Organisation in construction of Border Fencing, Roads and Lighting Systems along Indo-Bangladesh and Indo-Pak Borders. Five CPWD Zones, 3 civil and two electrical, are directly engaged in these works.

ADG (Architect) (Headquarter- Delhi)

The ADG (Arch.) exercises technical control on all the four Chief Architects. He is also advisor to Ministry of UD&PA on matters of Architectural Planning within the country and for Indian Embassies in other countries.

ADG (Training) (Headquarter- Delhi)

There is one post of ADG (Training), which looks after the training needs of the workers and officers in the department and carries out the important task of Human Resource Development. The department has a full fledged Training Institute located at Ghaziabad, apart from Regional Training Centres at Delhi, Mumbai, Chennai and Calcutta.

CPWD is an organization which has expertise in all facets of construction activity. The presence of highly qualified architects, civil engineers, electrical engineers and horticulturists ensures that the projects entrusted to CPWD by the clients get to be handled in a comprehensive manner. It renders consultancy in the field planning and design and also takes up supervision consultancy through its Consultancy Wing for PSUs, Autonomous bodies, Co-operative Societies and for projects abroad. It has so far provided consultancy services for many works in as many as 10 countries outside India.

SPECIALISED UNITS

To achieve excellence in its operation, CPWD has under mentioned specialised units.

- (i) Central Design Organisation
- (ii) Training Institute
- (iii) Standards & Specifications and Technology Application & Development

- (iv) Techno-legal Cell
- (v) Central Laboratory
- (vi) Quality Assurance Wing
- (vii) Consultancy Services Organisation
- (viii) Architectural Documentation Centre
- (ix) Landscape Horticulture Unit

Central Design Organisation

Central Design Organisation (CDO), a specialised unit of CPWD, was formed in the year 1969. It has following four units each headed by a Superintending Engineer.

- (i) Design Unit.
- (ii) Repair & Rehabilitation Unit(RR Unit)

Since its inception, the activities of CDO have become manifold to meet the modern developments, particularly in the field of structural design, computerization, adoption of new materials and new construction techniques, materials testing, soil investigations, repairs and rehabilitation of structure in distress, development of soft ware etc. This unit is entrusted with the work of structural designs of major structures costing more than Rs.8 crores and /or buildings/structures of complex nature and promoting new techniques and materials in the field of building construction.

The **Repairs and Rehabilitation Unit** has been created to suggest corrective measures for the structures in distress. This unit has recently brought out a manual on repairs and rehabilitation of buildings which has been very received by practicing engineers.

Contracts, Standards and Quality Assurance Unit

This unit has four branches. Functioning of each branch is as under: -

(i) Contract and Manual Unit

This unit is responsible for registration and revalidation of contractors, updation of CPWD manual. This unit also issues Technical Circulars in respect of Contracts, Manuals and Delegation of Powers to various officers of CPWD. The revised and updated Manual Volume-II, used for regulating the works incorporating many important changes in work procedures has been recently brought out.

(ii) Quality Assurance Unit

This unit is responsible for conducting inspection of various construction and maintenance works, issue of Inspection reports for assurance of quality in the works. Regular inspections of major works are carried out by this unit.

(iii) Techno legal cell

This unit is responsible for dealing with the arbitration cases, Court cases, and approval of counter statement of facts in the Arbitration cases, other litigation matters and issue of circulars regarding all the above activities.

(iv) Standards & Specifications Unit

This unit is responsible for up dating the Specifications of works, issue of circulars from time to time, laying down specifications for new materials, approval of Cost Index, revision and up dating of schedule of rates etc. New CPWD schedule of rates has been brought out 2002. Specifications of RCC, in light of revised IS Code 2000, have been revised.

Training Institute

CPWD has its main Training Institute at Ghaziabad and regional Training Institutes and Workmen Training Centres at Delhi, Mumbai, Kolkata, Chennai and Guwahati. Institute conducts number of courses for officers and staff of all disciplines. The Institute has been enlisted as National Resource Institution by MHA. The training programmes of the Institute include foundation courses for direct recruit AEEs, Dy. Architects, JEs, orientation programme for newly promoted SEs and EEs, and other staff etc. In Service Training to serving officers at different stages, specialized training in computer application for various levels of staff, Modern Management Techniques like Project Management, Contract and Arbitration, Environmental Management, Stress Management etc. are also organised.

MHA sponsored Training Programmes are also conducted by the Institute for state PWDs and Public Sector Govt. Organizations in field of Multi hazard risk management. The Institute also sponsors officers for training courses conducted by recognized Institutes in India besides deputing of officers for foreign training conducted by Japan International Co-operation Agency (JICA), Indo Swedish Development Corporation (SIDA), under Colombo Plan etc.

Consultancy Services Organisation

CPWD provides consultancy services for various public sector organisations/autonomous bodies, State Governments etc. in planning, design and execution of major building projects, infrastructure works, complex structures and specialised planning and services like air conditioning and electrical installations, project management etc. through its Consultancy Services Organization (CSO).

The CSO has been entrusted a number of prestigious works. Some of them are:

- Planning of major road works under the 'Pradhan Mantri Gramin Sadak Yojna' and the 'Rashtrya Sam Vikas Yojna' for the state of Bihar.
- Planning and designing 'jetties' for the Inland Water Ways Authority at Guwahati and Patna.
- Executing works on behalf of the MEA at Kabul, Afghanistan. Repair and rehabilitation of Habibia School and of the Indira Gandhi Institute for Child Health have been completed. Planning for Indian Chancery Building and the new Afghan Parliament is in progress.
- CSO has also standardized the contracts/specifications etc. for modern hockey fields and synthetic athletic tracks and is assisting the SAI in laying these at many locations.
- Architectural and structural planning for a number of Kendrya Vidyalyas is also being done by the CSO.

CSO is involved in planning of works for the department of Small Scale Industries and the Ministry of Environment & Forests.

Hockey field for SAI Bhopal

Vigilance

The vigilance Unit of CPWD was headed by Chief Engineer (Vigilance), who was also the Chief Vigilance Officer of the Department. Now this unit is headed by an independent CVO. The activities of the Vigilance Unit include investigation of complaints, enquiries against erring officers and staff, issue of Vigilance Clearance Certificates for service matters, conducting surprise checks on stores and preventive vigilance by suggesting changes in the procedures.

Citizen Charter

To reflect the commitment of CPWD in the matter of construction and maintenance of Residential and Non-Residential buildings and other service activities following steps have been taken:

- i) Citizen Charter has been formulated and adopted in CPWD.
- ii) The Charter adopted has been put on the CPWD website <http://cpwd.gov.in>

Special efforts to introduce transparency through computerisation

Computerisation has been introduced by CPWD in areas like preparation of Architectural Designs, Structural Design & Detailing, Project Planning & Scheduling, Monitoring, Preparation of Schedule of Rates, Tender Justification, Pay Rolls, Personnel Management, Inventory control, Accounting and Budgeting, maintenance management etc. Considering, however, the need of a knowledge management system to be put in place and the directions of the Govt. for introducing e-governance CPWD has embarked upon a programme for integrated computerization which will seamlessly integrate all operations of CPWD making available complete information in real time and will usher in complete transparency and enable officers to exercise effective control on all facets. Expression of interest has been

invited and it is proposed to introduce customized solutions using commercial and industry standard software.

The CPWD website has also been made more interactive and all circulars etc. are being posted on same. Facility to receive feedback from visitors has also been introduced.

A fully computerized complaint receiving and monitoring system is already being used by CPWD in Delhi. The service can be accessed at <http://cpwdsewa.nic.in> .

IMPROVEMENTS MADE IN MAINTENANCE

During FY 2006-07 CPWD has made special efforts to usher in improvements in its maintenance operations. All field officers have been directed to be more responsive and to pay personal attention to the grievances brought to their notice. As an experiment CPWD has outsourced maintenance of certain selected colonies and engaged a single agency for carrying out all operations. This experiment has just gone underway and initial reports indicate that it will be a successful venture and will also encourage the regular CPWD workers to perform better. Besides this, in the current financial year, special funds have been received for taking up works of aesthetic improvement and retrofitting of old quarters. With this the look of old quarters is being slowly changed and this is generating higher satisfaction amongst residents.

Involvement of CPWD in development of roads in Bihar

CPWD is actively involved in development of roads and highways in the state of Bihar. 2000 Km. of State highways under Rashtrya Sam Vikas Yojna in 33 districts of Bihar valued at about Rs. 3000 crore and 1222 Km. of roads under Pradhan Mantri Gramin Sadak Yojna in 4 districts in Bihar valued at about Rs. 600 crore have been taken up by the department.

Execution of works related to the Health sector by CPWD:

CPWD has completed the work of Cardio Neuro Tower at AIIMS, Delhi. Department has been further assigned large works by for AIIMS, New Delhi. These include construction of super specialty hospitals etc. The total project is likely to cost about Rs. 1200 crore.

Currently CPWD is also involved in planning, designing and up-gradation of 4 hospitals at Jammu, Srinagar, Varanasi and Dhanbad under Pradhan Mantri Swasthya Suraksha Yojna.

CN Tower built for AIIMS, New Delhi

Assistance rendered by CPWD in JNNURM and for works in NE Region

CPWD is assisting the Ministry of UD in implementing the JNNURM by vetting the schemes related to Urban Transport sector received from different states. **106 DPR** for development were received and **87**, having value of **Rs. 4724 crore** have been vetted.

Similarly CPWD is also assisting in examining the estimates for works to be carried out in the **NORTH EAST**. **367 DPR** for works being taken up in North East valued at **Rs. 3626.18 crore** have been processed by CPWD in FY 2006-07.

ACHIEVEMENTS DURING FY 2006-2007

WORKLOAD

- Workload of Rs. 4512 crore was achieved during 2005-2006. Equivalent work load of **Rs. 5789 crore** is targeted for achievement during the year 2006-2007.

Construction of GPRA & GPOA

- **564 number** of General Pool accommodations have been added by CPWD during 2005-06. Another **481 quarters** have been added up to December 2006. Further 602 will be added up to March 2007. Annexure – I & IIA.

- **17327 sq.m.** of non residential General Pool Accommodation has been completed by CPWD during 2005-06. 6002 sqm of GPOA have been added up to November 2006. Another **8743 sq.m.** of area is likely to be added by March 2007. Annexure – II & IIA.

Details of major works

- **124 major works** each costing more than Rs. 2 crore have been started during FY 2006-07 up to December 2006. Further 86 more works are targeted for commencement during the period January to March 2007. Refer Annexure – III&IIIA.
- **59 major works** each costing more than Rs. 2 crore have been completed during the FY 2006-07 up to the month of December 2006. Further 84 numbers of major works are likely to be completed during the period of January 2007 to March 2007. Refer Annexure – IV & IVA.
- **105 major works** costing more than Rs. 2 crore have been sanctioned during the FY 2006-07 up to December 2006. Refer Annexure -V.

Achievements of the various specialized units of CPWD are given in Annexure VI to VIII.

Activities of CPWD in other important areas during 2006-07

Border Roads, Fencing & Flood Lighting Works

The Central Public Works Department is executing the work of Border fencing, flood lighting and construction of Roads along the international borders of the country both in the West and the East. In all 2936 Km of fencing, 1781 Km of Road and 1872 Km of flood lighting along the international borders of Punjab, Rajasthan, Gujarat and along Indo Bangla Border has been completed by CPWD so far.

The maintenance of the infrastructure created along the border in the form of roads, bridges, flood lighting etc. has also been entrusted to CPWD. Special units have been opened in North East to look after the works. About 2558 Km of road along the full IBB is being maintained by CPWD.

CPWD has also been requested to submit proposals for 5 strategic roads in Uttaranchal. The stretches are:

- Ghamsali to Geldung 24 km
- Sonam to PDA 15 km
- PDA to Sumla 05 km
- PDA to Mendi 03 km
- Sela to Tendang 24 km

3 teams of officers, each headed by an EE, have carried out a reconnaissance survey in August 2006.

Details of achievements of Border Fencing Region are given in Annexure-IX.

Works for Inland Waterways Authority of India

CPWD has been executing various works to facilitate development of the Inland waterways in India thus facilitating development of a net work similar to that of National Highways for transportation of goods and people at a much more economical rate.

CPWD has completed various works for the IWAI which include jetties, terminal buildings, protective measures, development works etc.

Works at Vaikom, Cherthala, Thirukkunnappuzha, Kayamkulam, Aluva, and Maradu in Kerala have already been completed. The work of low level jetty at Gaihat at Patna has been completed during the FY 2006-07. Work for construction of jetty at Pandu at Guwahati is in progress.

Proposals for construction of high level jetty at Pandu at Guwahati and Gaighat at Patna and various other locations are under consideration.

Construction of permanent houses for tsunami affected people of A&N Islands

CPWD has started the construction of permanent houses for the Tsunami affected people of A&N Islands on the following islands:

- i) Little Andaman
- ii) Car Nicobar
- iii) Katchal
- iv) Chowra
- v) Kamorta
- vi) Terressa
- vii) Noncowrie
- viii) Great Nicobar
- ix) Little Nicobar

Out of 9797 houses to be built for the Tsunami affected people in the Islands 7966 are being built by CPWD. Foundation work for nearly 5000 units, for which locations have been identified is in progress. Super structure work for houses has been awarded and fabrication of material is under way. The design of the houses and the specifications being adopted have been evolved out a consultative process in which all the stakeholders including individual beneficiaries, tribal council members, village captains etc. were evolved. The houses have been designed to be earthquake resistant and eco-friendly materials are being used in construction.

Commonwealth Games-2010

CPWD has been entrusted the task of upgrading the existing infrastructure for the five major stadium of the Sports Authority of India at Delhi where the Commonwealth Games are to be held in 2010. These are:

1. Jawahar Lal Nehru Stadium
2. Indira Gandhi Indoor stadium
3. Dr. Karni Singh Shooting Range
4. Major Dhyan Chand National Stadium
5. SPM Swimming Pool

The detailed planning for all the venues has been started involving foreign experts having adequate experience to bring these venues to international standards. Work for development of designs has been awarded and venue wise contracting packages would be

taken up now. The services in all stadiums will be state of art and compare to best international sports facilities. The call of tenders will be started by May 2007.

All related jobs have been planned for completion latest by December 2009 leaving adequate time for trial runs before commissioning. The EFC has approved a rough cost limit of Rs. 1100/- crores. A dedicated project team has been formed for all these time bound works.

Integrated development of samadhies of National Leaders

CPWD is tasked with maintaining samadhies of National Leaders. Since December 2004 CPWD is also making all logistic arrangements for the functions held at these samadhies. Govt. has decided to integrate the samadhies to improve movement of visitors and also provide there adequate facilities and take steps to ensure safety of the VVIPs who visit these. CPWD with the help of experts has developed a plan for the development of these areas which include better lighting, pathways, new plantation and public utilities etc. Work of tree plantation is in progress.

Activities of CPWD in North East.

CPWD has been executing number of infrastructural works in the North East. The head quarters of the CPWD in this area is located in Shillong with divisions located at Guwahati, Shillong, Imphal, Tejpur, Silchar & Agartala.

The works done by the Department cover diverse sectors such as Education, Health, Sports, Tribal Welfare, Inland Waterway Transport, maintenance of border roads etc. CPWD is creating infrastructure for various departments and ministries operating in this area such as Central Police Organisations like CRPF, BSF, Assam Rifles, SSB, ARC,

SIB & SB, Ministry of Labour, Ministry of Health & Family Welfare, Central Water Commission, Survey of India, Ministry of Environment & Forests, ICAR, KVIC, Sports Authority of India and Central Ground Water Board, ITPO etc.

Works of Assam University Campus at Silchar:

Assam University, a Central University established in 1994, has a campus of 400 macres located around 23 Kms from Silchar town. It has entrusted large scale construction and development works to CPWD. Since inception of University till 2005-06 works costing more than Rs. 200 crore have been completed and handed over successfully.

At present, the works of C/o Building for Physics Department, Chemistry Department, Ecology Department and new Academic Complex, costing to the tune of Rs. 1500 lakhs are in advance stage of progress and, except Academic complex, are targeted for completion during FY 2006-07. The Academic Complex is scheduled to be completed in June 2007.

Mizoram University:

Mizoram University located about 15 kms from Aizwal, Mizoram has entrusted construction activity of entire campus, i/c development works to CPWD. It has been developed in two phases. A/A & E/S under phase I, to the tune of Rs. 2400 lakhs was received during the FY 2003-04. The Campus has been developed with water harvesting systems in addition to general development components like roads, culverts, protective measures, SW drains etc. A/A & E/S for Rs. 2688.17 lakhs under Phase II has been received in June 2006. Preparation of Layout plan and other working drawings etc. is in under finalization. Estimate for C/o School for Earth Sciences and Natural Resources (Phase II), estimated to the tune of Rs. 252.75 lakhs has been sent to Mizoram University for obtaining approval.

Construction of Institute of Hotel Management at Hengrabari, Guwahati.

The project for M/o Tourism, GOI has been completed in FY 2006-07. The project comprises of following components.

1. C/o Administrative Block cum Institute Building for 5260 sqm
2. C/o Boys hostel for 168 Nos. boarders comprising of 2445 sqm
3. C/o Residential quarters type II 5 Nos., Type III 4 Nos., Type IV 6 Nos, and Type V 1 No.
4. Ancillary buildings like ESS Building and pump house
5. External bulk services and development work.

The Construction of Administrative block cum Institute building was completed in August 2006 and Boys Hostel has been completed in March 2006. The Administrative Block cum Institute building has been made operational from December 2006

Important events/foundation stone laying ceremonies/inaugurations:

152 year celebration of CPWD

CPWD celebrated the completion of 152nd year of its inception in July 2006. A function was held in Vigyan Bhawan which was presided over by the hon. UDM Shri Jaipal Reddy. During the function a presentation about achievements of CPWD during the preceding financial year i.e. 2005-06 was made. An open house discussion on various issues was also held in which all service associations/unions and individual officers voiced their concerns and made suggestions.

Inauguration of SEBI Building Mumbai

The building for the SEBI, built by CPWD at the Bandra Kurla Complex, Mumbai was inaugurated by the Hon. Prime Minister on 06/10/2006. The building incorporates the latest features including state of the art building management systems. The building has been provided with furnishing also by the CPWD in line with the motto of providing fully outfitted buildings to clients if they so desire. All present highly appreciated the work done.

This SEBI building has been provided with state of the art systems for offices conference halls etc.

Inauguration of new office building for CBSE at fazalpur, Manadavali, at Delhi

CPWD has built a number of buildings for the CBSE at various places. These include buildings built at Rouse Avenue in new Delhi, Buildings at Allahabad, Panchkula etc. latest building to be completed is a Fazalpur, Mandavali. This completely disabled friendly building was inaugurated by Shri Fatmi, Hon. Minister of Education on 21.12.2006.

Construction of an Auditorium in President's Estate, New Delhi

CPWD has taken up construction of a new 300 person capacity auditorium, having design merging with that of the Rashtrapati Bhawan, in the President's Estate. The building also includes a banquet hall with a capacity to accommodate 400 persons. Building is being provided with state of the art features including intelligent building management systems, fire detection and fire fighting systems, CCTV, modern audio and video projection systems etc. 100% backup power supply is also proposed. Provisions for rainwater harvesting have also been made. Building has been planned as disabled friendly building.

Start of new office building for Comptroller and Auditor General of India

The foundation stone for the new office building for CAG was laid by His Excellency The President of India on October 19 2006.

The building has been designed and developed by a Delhi based Architect CPWD is designing all services etc. to be provided for in the building. This includes conference facilities standby electric supply stems air conditioning, integrated building management system, LAN, VPM, CCTV and access control systems, fire fighting and fire alarm system etc.

Construction of Jawahar Lal Nehru Bhawan – office for Ministry of External Affairs

CPWD has started the construction of the JLN Bhawan located at Janpath which will house the Ministry of External Affairs. The building has been completely designed in house and this will be one of the most modern and eco friendly buildings to be built. Bhoomi Poojan of this building was done by Hon. Minister for External affairs Shri Pranab Mukherjee on November 14, 2006.

Office building for central Excise at EM Bye pass, Kolkata

CPWD has completed a new office building for the Central Excise Department at EM Bye Pass, Kolkata during 2006-07.

Construction of office building for Income Tax at Hyderabad

The work of construction of twin towers for the Income Tax Department at Hyderabad is nearing completion and building will be handed over to the client department shortly.

Construction of laboratory cum Administrative Block of NRCSS at Tabiji, Ajmer

CPWD has completed construction of a double storied laboratory cum administrative block for the NRCSS at Ajmer. The building having a plinth area of 3152 sqm has 15 laboratories, offices and a conference room. The building has been designed keeping in view traditional Rajasthani Architecture.

Lab NRCSS, Tabiji, Ajmer

A detailed list of important events and activities of the department for the year 2006-07 is given in Annexure-X.

Work Load (2006-07)

Sl. No.	Description	Constn l/c Deposit work	Maint. l/c Deposit work	Total Financial terms	Total work load
