**Dear Colleagues,**

On assuming the office of Director General, CPWD, I convey my warm greetings and heartfelt thanks to all of you. It is indeed a privilege and honor for me to lead this organisation, which has a glorious legacy of over 167 years. It shall be my earnest endeavor to carry forward this legacy with a commitment towards growth and progress of our nation.

It shall be my endeavor to accelerate the implementation of ongoing schemes and policies, take up new initiatives, implement ERP in a time bound manner, improve awareness about the Department amongst our clients and to motivate all cadres to come together to take the Department ahead. It is my conviction that as a collective, cohesive and well knitted team CPWD, we can achieve any height. I shall try to build a rejuvenated and transformed CPWD by encouraging camaraderie and harmony within the organization.

While CPWD has a glorious past, the current competitive environment demands that we proactively respond to the demands of evolution, change and transformation. We need to bring in the highest levels of professionalism in our work and try to excel in every sphere of our activity by making untiring efforts.

I am happy to inform that during the financial year 2020-21, we had achieved workload of Rs.13,412 crores. Considering our large human resource of more than 8000 highly skilled and competent Engineers, Architects and Horticulturists, we should aspire and work to expand both the scale and scope of our activities. I am confident that with concerted efforts made by each and every one of us, we shall take our Department to greater heights.

Against today's challenges, we have to strengthen CPWD as a transparent and efficient organization setting benchmarks in the Building Construction and Infrastructure sector not only in India but in the entire South Asian region. I am confident that I will get full cooperation from all of you to take the Department to the next level of excellence.

With best wishes and warm regards.

  
(Shailendra Sharma)
