Dear colleagues,

I have been assigned the additional charge of Director General, CPWD and I have assumed charge of the office. I convey my warm greetings to all of you. It is indeed a privilege and an honour for me to be a part of this organisation, which has a glorious legacy of over 170 years. It shall be my earnest endeavour to carry forward this legacy with your support.

At the outset, I wish to convey that it is my conviction that as a cohesive and a well-knit team, we can achieve any heights. Towards this we not only need to encourage camaraderie and harmony within the organisation, but also foster transparency and accountability in our work culture.

We also need to ensure that CPWD keeps pace with the latest technological developments. We should continue to aspire as an organisation to set benchmarks in the building construction and infrastructure sector, at par with the best in the world. Considering our large human resource of highly skilled and competent Engineers, Architects and Horticulturists, I am confident that CPWD will continue to play a stellar role in shaping the nation's infrastructure.

I look forward to work closely with all of you. Let us move forward together with dedication and determination.

With best wishes and warm regards.

(Satinder Pal Singh)
